

**Section 480 - Exterior of Single Dwelling Unit  
and Double Dwelling Unit Buildings**

**480.01 Definition.** The term "finish materials" as used in this Section shall mean stucco, brick, stone, shingles or shakes, redwood or cedar siding, or other painted or stained siding materials, and shall include windows and doors.

**480.02 Completion of Exterior.** The roof and all exterior surfaces of single dwelling unit and double dwelling unit buildings, and buildings and structures accessory thereto, shall be completed with exterior finish materials within 12 months after the date of the building permit issued for the new construction, alteration, remodeling or relocation of such building or structure.

*History: Ord 410 adopted 8-10-88*
